

ZimVie Implant Packaging Update

We're excited to share a fresh new look for ZimVie implant packaging — thoughtfully redesigned based on feedback from dental professionals like you. While the carton appearance has changed, what hasn't is our commitment to help make your workflow smooth and efficient.

Our updated packaging is built around three key enhancements:

1

Compact Storage

2

Intuitive Handling

3

Clear Labeling

ZimVie Implant Packaging Update

Compact Storage

Compact, stackable design helps streamline inventory and maximize organization

Intuitive Handling

Ergonomic features support confident, efficient use during procedures

Push to open perforations

Clear Labeling

Simplified, easy-to-read labels aid with quick product identification

Please note: This change is coming soon. Once the current inventory of implants in the former packaging is depleted, implants will begin to ship in the new packaging. Please anticipate receiving product in the new packaging in late 2025 and into early 2026.

We understand that any change can require adjustment, and we're here to support you every step of the way. Should you have questions, please contact Customer Support at 1-800-342-5454 or your local representative.

Thank you for trusting ZimVie.
